Exciting developments are happening on the farm

Our wonderful farm manager Natasha is heading a great group of people on our new Property Committee—formed to address farm maintenance and development. Already, at what seems like lightening speed they have improved the tape gates – big thanks.

If you notice any maintenance that needs attention or have any farm related concerns or issues please contact Natasha directly on 021 0829 9473 or the Committee via our Secretary the lovely Leanne at rudi.leanne@xtra.co.nz

You may have noticed a digger chugging along up the back...a new yard complex is being developed by the lower end of paddock 9 and paddock 7. Also a new larger carpark/yard is going to be created at the turn around situated at the junction of paddocks 4, 12, and 13. It will be fantastic to have these extra service areas
Please take care if riding near the big scary monster aka the digger!

I hope you all enjoyed all the wonderful coaches I was able to secure over the season. We are incredibly lucky to have such an amazing calibre of coaches. I have tried to share them around between you all; they really enjoy coaching you too. Dannie Lodder is of course a stand out especially bringing her two mini me's as members as well. How lucky are we to have Tarek he's such a breath of fresh air. Anne-marie Styles is about to head to America to coach the New Zealand Interpacific team on behalf of the club we wish them every success.

So many of our riders have had such a fantastic season I would like to make a special mention of Francesca Masfen who won the Mark Todd section of the Eventing Championships, she was the highest placed secondary school rider and she and Molly Oleary took out the top MT pair of the event, their Auckland team finished third overall. There are honestly so many wonderful achievements from our riders, there are too many to name. I will definitely use this forum to keep you informed on future successes so please don't be shy and slip me an email with your achievements, everyone enjoys to see how well you are doing. See you all at our upcoming rallies.
