NEW ZEALAND PONY CLUBS TEAMS DRESSAGE CHAMPIONSHIPS

RULES AND REGULATIONS

This book becomes operative for the 1997 and subsequent Competitions. It will be adhered to for Junior and Senior Championships competitions run by the NZPCA and Areas. It may be used, as a guide only, for other classes.

For participation rules and any eventuality not covered in these rules refer to the Equestrian Sports NZ (ESNZ) Rules for Dressage. Rules marked with an asterisk (*) signifies they are different than ESNZ Dressage NZ Rules.

I. INTRODUCTORY RULES

Rule 1. THE FORM OF THE COMPETITION:

- (a) The competition is a teams event in dressage, one team competing from each of the NZPCA Areas and comprising a maximum of six riders.
- (b) For combined teams, see Apendix C
- (c) There will be two divisions:
Junior: Riders 15 and under, a maximum of three riders in each team.
Senior: Riders 16 until the end of the season during which they reach the age of 21, a maximum of three riders in each team.
- (d) There will be competition for individual titles in each division.
- (e) The Championships are held at two venues (one North Island and one South Island) over two consecutive weekends with the dressage judges travelling to each of the venues in turn.
- (f) The same judges will officiate throughout the championships each year.

Rule 2. THE OBJECTS:

- (a) The object of the Competition is to stimulate interest and encourage enjoyment in Dressage and correct training of the horse, thereby encouraging members to improve their riding by acquiring and establishing an independent seat, and a true knowledge of the aids.
- (b) The object of dressage is the harmonious development of the physique and ability of the horse. As a result it makes the horse calm, supple, loose and flexible, but also confident, attentive and keen, thus achieving perfect understanding with his rider.
- These qualities are revealed by
- (i) The freedom and regularity of the paces.
 - (ii) The harmony, lightness and ease of the movements.
 - (iii) The lightness of the forehand and the engagement of the hindquarters, originating in a lively impulsion.
 - (iv) The acceptance of the bridle, with submissiveness throughout and without any tenseness or resistance.
- (c) To encourage Team participation within the objects of the NZ Pony Clubs Association Inc., and to abide by the principles of the NZPCA Fair Play Charter.

Rule 3. WHEN AND WHERE HELD:

The competition will be held annually as determined by the NZPCA. Each Area is eligible to send a team of six riders to the championships with North Island Areas sending their teams to the North Island venue and the South Island Areas sending their teams to the South Island venue.

The North Island Areas are as follows:

Northland	Waitemata/Rodney	Auckland
Franklin/Thames Valley	Bay of Plenty	Waikato
King Country	Gisborne/Wairoa	Taranaki
Manawatu/West Coast	Hawke's Bay	Wairarapa/Wellington

The South Island Areas are as follows:

Marlborough/Nelson/West Coast	Canterbury
Ashburton/South Canterbury/North Otago	Otago/Southland

Rule 4. TROPHIES:

- (a) The NZPCA will award team rosettes to 4th place in the South Island and to 6th place in the North Island. Teams placed 7th to 12th in the North Island will receive participation rosettes.

Rule 5. SCORING:

Judges will allot marks from 0-10 for each numbered movement. These marks are added together and any penalty marks deducted. If there are two or more judges, the resulting totals are added together to give the final total. To arrive at the team score, the best four scores are added together.

In the event of one judge being unable to attend and complete judging at either of the venues, the competition will be judged by the remaining judge and only that judge's marks will count for overall placings.

If an Area is unable to field a full team, the lowest score of the division where the member is missing (ie Junior or Senior) on that day will be awarded, but with a further 10 points subtracted as a penalty.

Rule 6. TIES:

In the event of a tie there shall not be a ride-off at National level. The team or individual with the highest number of the judges collective marks entered at the bottom of the sheets shall be the winner. In the event of a tie on collective marks, the team or individual with the highest co-efficient marks shall be the winner. In the event of a tie on co-efficient marks, the team or individual will stay equal and duplicate medals will be presented.

Rule 7. ELIMINATION:

ARENA PLAN 60m x 20m

Markers are 0.5m from the edge of the Arena.

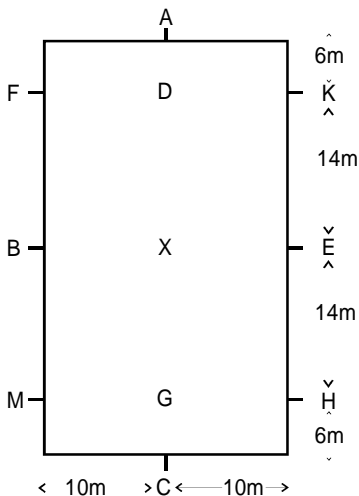

If a boarded arena, the markers **MUST** be visible above the boards.

On a grass surface, a centre line must be mown.

Gateway at A should measure approx. 2m.

ARENA PLAN 40m x 20m

Markers are 0.5m from the edge of the Arena.

If a boarded arena, the markers MUST be visible above the boards.

On a grass surface, a centre line must be mown.

Gateway at A should measure approx. 2m.

SETTING UP AN ARENA

Requirements: 40 x 20m

13 standards

122m of rope

letters

length of diagonal = 44.72m

60 x 20m

17 standards

162m of rope

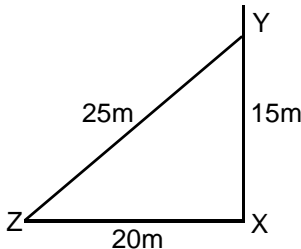

letters

length of diagonal = 63.25m

It is **essential** that the sides should be straight and the corners square, otherwise it will be impossible to work correctly in it. You will need a 30m or longer measuring tape.

Method:

1. Measure one long side, insert corner standards. Stretch the rope on the ground around the corner standards.
2. Measure 15m on long side X - Y, put in a peg.
3. Measure 20m on side X - Z, and adjust rope until measurement Y - Z equals 25m, put in a peg.
4. Retaining this line, insert corner standard at Z. Having squared on corner, measure the next long side, and adjust the fourth corner standard until the remaining short side measures 20m.

While measuring, lay all markers where required. When the rope is raised, it will give a straight line and these standards can be put in accordingly. **Note:** The term 'quarter-marker' is misleading. They are set 6m from the corner on the long sides.

Letters should be set 0.50 metres from the rope. Letter 'A' should be placed as far as back as practical from the gateway.
