# BILLETING

Part of the “experience” that is the North Island Show Jumping Championships is the billeting of the visiting teams by Cambridge Pony Club members, supporters and locals.

Without their generosity in providing accommodation for the teams and their horses, this event probably couldn't take place.

To ensure the continuation of this vital component of the Show Jumping Championships, the following is a guideline to assist in making your visit to Cambridge an enjoyable experience both for your team and your hosts.

1. Your team will be billeted for the duration of the Champs. Please state clearly on your entry form the nights (Sunday\Monday) you will be staying. Teams travelling a long distance have the option of staying Tuesday.
2. The billet is for the Team Manager and 6 riders. If there are circumstances that involve bringing extra people, this must be discussed with the host BEFORE arrival. For additional parents, supporters etc, details of accommodation available in Cambridge can be obtained from the Cambridge Information Centre (07) 823-3456.
3. Please make contact with your host well before the event to discuss available grazing, stabling facilities etc.
4. Your host is not expected to feed your team or your horses during your stay. Please make sure you bring sufficient food with you.
5. Please ensure all facilities you use are left as you found them.
6. Use stabling, grazing as directed by the host and park trucks as directed. Check in advance how much parking is available Please keep the number of vehicles to a minimum.
